

TALES FROM THE **Firehouse**

LIVE

Real Firefighters Telling Real Stories

**Saturday, Dec. 13
1 - 3:45 pm
Meeting Room A**

Join us for this educational, entertaining and improvisational program as real firefighters share real stories of their experiences - of calamity, courage and caring. In addition, local voice actors will perform a delightful and compelling reading from the book, *Classic Tales from the Firehouse: Firefighters' Stories of Calamity, Courage, and Caring*.

Immediately after Tales from the Firehouse LIVE!, join us for a special meet-and-greet with the firefighters, voice talent, and Rebecca Joy and Betty Joy, the authors of *Classic Tales from the Firehouse*.

Books will be available for purchase and signing after the show.

We'll also have fire prevention displays and fun activities for children.
